Following these guidelines will make these free fun meets run smoothly. Thank you in advance for your cooperation.

Gymnasts are expected to wear their team tank leotard. This leotard is for fun meets only and will be passed out prior to the first meet.

- Gymnasts' hair should be pulled back very neatly into curly or braided pigtales. Please use hairspray and gel to secure flyaway hair. No bobby pins.
- Gymnasts and families should arrive approximately 10 minutes prior to the meet start time and wait in the lobby until they are called into the gym.
- Parents should remain in the lobby until they are given instructions and called into the gym.
- Parents and other spectators **MUST** remain in the designated viewing area during the entire meet. If you have questions, please wait until after the meet when coaches will be available to speak with you.
- If you are bringing siblings or young friends/relatives, they will need to remain seated in the designated area at all times. For safety reasons, absolutely **NO** children will be allowed to climb or play on any equipment at any time.
- No food or drinks will be allowed inside the gym.

We expect large crowds for our fun meets. We understand that seating is not perfect. Remember that these meets are provided at no charge. Please be considerate, courteous, and polite. Everyone is coming to see someone very important to them.

All balances with OGA and OGBC must be current for your gymnast to participate.
