

## **2018-2019 MEET SEASON AND VACATION POLICIES**

### **Levels 2 -5 and Xcel**

We would ask that you schedule vacations carefully from January until May. If you have scheduled a vacation that conflicts with a competition, you must fill out a "Meet Withdrawal" form (available in the pro shop) and turn it in to Deanna by **Friday, October 26, 2018**. Please communicate to your child's coaches about your travel plans in advance, so that we can do what is in the best interest of your gymnasts.

For vacations leading up to a meet, your athlete must be back to attend at least 2 regular scheduled practice times, Olympia Gymnastics Staff will be unable to make special accommodations for different practice times **due** to vacations. Please keep in mind that competitions could be scheduled on Friday, Saturday or Sunday of a competition weekend. This policy is in place for the safety of the gymnasts.

## **2018-2019 MEET SEASON AND VACATION POLICIES**

### **Level 6 – 10**

If you have scheduled a vacation that conflicts with a competition, you must fill out a "Meet Withdrawal" form (available in the pro shop) and turn it in to Deanna by **Friday, October 26, 2018**. We would ask that you schedule vacations carefully from January until May.

Due to the nature and timing of the gymnastics competition season, Level 8, 9 & 10 gymnasts will need to be at all practices leading up to state, regionals and nationals. Please do not schedule any vacations during the months of March, April and May. Your athlete's training and preparation for the championship season is a vital step in the competitive gymnastics journey.

Thank you, in advance, for your cooperation.
